Overview

We hold the necessary mortgage broking experience and qualifications in accordance with the National Consumer Credit Protection Act, 2009 to provide you with assistance. We are required to meet specific competency standards relating to educational and professional development. You can be confident that we are held accountable to not only our organisation's high ethical standards / values, but also have a responsibility to maintain the regulatory standards that are set by both Commonwealth and State governments.

Our mission is to ensure we offer our clients the best service and most appropriate products to suit their individual needs through our professionalism and attention to detail. Ultimately, our goal is to ensure applicants are provided with a loan that meets their objectives.

We guarantee to listen to your needs and your instructions, ensuring that there is collaborative agreement through each step of the finance application process.

Our relationships and alliances with likeminded quality organisations ensure we are positioned to offer the best quality service as well as offering complementary financial services where appropriate.

Suitability of Loans to Your Financial Objectives

By law, before entering into a specific credit contract, we are obliged to conduct a Preliminary Credit Assessment to determine what kind of loans would be suitable for you. In consultation with you, we will explore and discuss with you your financial situation, financial objectives and borrowing needs before we determine which loan product may suit your requirements.

For the purposes of the Preliminary Credit Assessment, we will need to ask you some questions in order to assess whether the loan or lease is not unsuitable. The law requires us to:

- make reasonable inquiries about your requirements and objectives;
- make reasonable inquiries about your financial situation; and
- take reasonable steps to verify that financial situation.

The assessment will be conducted prior to recommendation of a particular product. The assessment will involve collection and verification of financial information to determine the appropriate loan amount and the loan costs associated with entering a credit contract. This will ensure that your circumstances will be assessed appropriately and that the options suggested will not place you in financial hardship. Once completed, this Preliminary Credit Assessment is only valid for 90 days. A copy of the Preliminary Credit Assessment will be available to you, on request - this will be available up to 7 years after we provide you with credit assistance

Prior to the Preliminary Credit Assessment being conducted, we may provide you with Product summaries that highlight various key features and benefits of the product. We may also provide you with Product Comparison documents that allow you to compare the features and benefits of each product and assess the suitability to your requirements.

Things you should know

We don't make any promises about the value of any property you finance with us or its future prospects. You should always rely on your own enquiries.

We don't provide legal or financial advice. It is important you understand your legal obligations under the loan, and the financial consequences. If you have any doubts, you should obtain independent legal and financial advice before you enter any loan contract.

We may provide you with property profiling information while you are looking at properties. This does not represent our opinion on a specific property value and we recommend you speak with a licensed real estate agent to obtain a professional appraisal before relying on any real estate information we may provide you. We are not licenced to provide real estate advice.
